Some services are not calculating correctly for service plans with a certification period that includes February 2016 (e.g., cert period of 3/1/2015-2/29/2016). 2016 is a Leap Year, but the BUS is currently calculating services based on a 365 day year, rather than 366.

We are aware of the issue and OIT is currently working towards a resolution.
